LISC PROFILE

As an academic study centre started by Sutherland Education, LISC is possibly the only one of its kind. It offers both tuition and revision courses for domestic students as well as a unique programme of intensive English at All Times (EAT)© for overseas students, who may wish to prepare for entry into mainstream education in the United Kingdom or simply improve their English. We cater both for private and state school students. Our tutorials are available all year round – including half terms and long school holidays.

LISC benefits from a close association with its founder organisation, Sutherland Education, whose highly qualified educationalists among its personnel have very many years of consultancy experience with students, schools, parents, teachers and agents.

As educationalists we are committed to offering tuition of the highest quality through our selection of the most experienced and successful tutors.

OUR TUTORIALS ARE AVAILABLE ALL YEAR ROUND!

TUTORS

We have a dedicated team, eager to teach YOU. All our tutors are highly qualified teachers who are experts in their subjects with extensive exam preparation experience. They are carefully selected and come with excellent references and CRB clearance. They will focus on the most challenging topics and assist you in improving your knowledge, skills and exam techniques.

COURSE STRUCTURE

Students study either 2 (AS and A2) or 2-5 (GCSE) subjects in one week. Candidates may choose from any of the following:

English Language & Literature, Math, Physics, Chemistry, Biology, Geography, History, French, Spanish, German, Latin, Business Studies, Economics, Law, Politics, Sociology, Psychology, Religious Studies, Drama, ICT, Philosophy, PE.

We invite you to specify your revision requirements in our pre-course questionnaire. Tutors will then plan lessons to cover your areas of particular interest. They will closely monitor and assess your progress in order to evaluate your ongoing needs.

We recommend that for GCSE you choose a minimum of 2 subjects over 1 week and 3 or 4 subjects over 2 weeks. We would advise that not more than 4 subjects are studied per week unless the additional ones are revised on an individual tuition basis. We would be happy to discuss with you your particular requirements.

To reserve a place, fill in the application form on the back of this leaflet and, having read our terms and conditions, send it to us together with the full fee. Full payment must reach us two weeks before the course start date. Once the funds have cleared, we shall confirm your booking and send out the course administration details. Please note that places are allocated on a first come, first served basis.

Study with us for the best results!

WE LOOK FORWARD TO WELCOMING YOU AT OUR CENTRE!

RESIDENTIAL STUDY OPTION WITH SUTHERLAND EDUCATION

Sutherland Education offers to students studying at our Revision Courses or at London International Study Centre (LISC), guardianship and accommodation. Our purpose is to provide students regularly attending UK schools with a secure, supportive and caring environment during their short-term courses.

Our guardian families...

welcome children into their homes and fulfil a very important role in the overall success of a student's stay. Guardian families offer students a home from home during the courses, providing them with a place both for private study and for personal relaxation. In this way, a student's educational experience is enhanced socially, culturally and linguistically.

Sutherland Education...

enables students to benefit from the highest level of personal and professional guidance. We have a reputation for excellence and integrity in the way we address every student's needs. The quality of our tuition, the high standards upheld throughout all levels of our academic courses, and the personal attention, has always been the most important aspects of our support for both parents and students.

In 1965 Andrew Sutherland's mother started the first guardianship association in the UK – The Kith and Kind Association. Today Sutherland Education represents nearly 40 years of professional experience in supporting students pastorally and academically.

AEGIS

You may also wish to know that we have been one of the first organisations accredited by AEGIS (the Association for the Education and Guardianship of International Students), the Government-recognised body which uses OFSTED and ISI trained inspectors and which ensures the highest possible standards in the provision of services to overseas students. Our inspection report has described us as:

“ ... an exemplar of the very best practice”!

Students staying at our guardian families have the full 24-hour support of the SE staff.

• Students will not be eligible for any refund should they contravene our guidance as outlined in any of the points under section 2.5

5. Termination of the Contract

• We reserve the right to relinquish our responsibilities without due notice if important information about your child has been withheld or in the event of serious misconduct. Whilst we are not bound to any set notice period, whenever possible notification of any such decision made will be given in writing prior to the termination taking place.

• To secure the continuity of the service provision, all payments must be made in full within the time stipulated on an invoice.

• To withdraw a student from SE course, 28 days' notice is required in writing. This means notice given to us 28 days prior to the commencement of the revision course.
